Partnership Opportunities

Serve-A-Thon is a countywide day of service where Firewall's 500+ students, their mentors, and volunteers engage in meaningful projects like helping the elderly, feeding the homeless, and packaging meals for the hungry.

4.28.18

The **Servant Leader Celebration** is a night to recognize all of our students as they move towards becoming servant leaders, honor High School seniors and some outstanding students, as well as hear from a keynote speaker. Firewall parents, volunteers, Board members, business partners and more come together to celebrate!

5.15.18

Firewall Centers

Firewall Centers is a non-profit that provides daily, school-based tutoring and mentoring services designed to help students achieve academic success, build character, and transform into servant leaders.
